

JOHN M. PAGE WELDING AWARD

The family of John M. Page will be offering \$100.00 and a plaque in his memory to a student who has completed at least 2 semesters of welding. Preference will be given to a student who plans to further their education in the field of welding or plans to obtain a job in a welding related field. It is not required that the student continue their education in welding or plan to work in the welding field but would be preferred.

The student must be of good character, have a good work ethic, always be willing to help others, and must show respect for teachers, fellow students, and all school personnel.

If no student plans to continue their education in the field of welding or work in the field of welding consideration will be given to a welding student who has shown respect and good work ethic in the welding classroom.

Any student interested in applying for the award needs to complete the following form and return it to Mr. Blythe or the guidance office by April 14, 2023.

Thank you

The Family of John M. Page
