

Molly Denise Harlin Memorial Scholarship

Molly was an individual that left a remarkable impression on anyone that met her. Her contagious smile could never have been forgotten. Molly had a PASSION for whatever she was doing whether it was school, sports or her grades. Whatever it was she did it with a PASSION. Molly worked hard at everything she did. A phrase she heard often was "Anything worth doing is worth doing right" and she took this to heart. Molly enjoyed life and all the joys that went along with it. She loved God, her family, basketball, friends and school. Molly always had a plan. She knew she wanted to be an elementary teacher and was so excited and motivated about this profession, again showing PASSION for her goal. In Molly's short time among us she demonstrated the most valuable things are not found at the end of the rainbow, but along the way.

The Molly Denise Harlin Memorial Scholarship will be awarded to the student(s) that best exemplify the values and ideas that Molly lived by.
