Summer Drama Camp June 2019

For the past 17 years, Monroe Youth Theatre has hosted the Summer Camp. This camp is a FREE opportunity to expose children of Monroe and surrounding counties to the Arts. Through a series of camps the children learn to appreciate the visual arts, explore creative outlets, and be a part of a theatrical production and storytelling.

Camp is divided into three sections, with each section focusing on students of different age ranges. Each workshop focuses on exploring through hands-on activities, the basics of drama, and storytelling. At the end of each session of camp, the students will perform at a parent showcase.
