To the Class of 2025 and Parents,

Welcome to Monroe County Middle School! The administration of MCMS, along with the faculty and staff, are pleased to welcome you to our school family! We are very excited about the upcoming school year and look forward to working with you to ensure your child "takes flight and soars toward success." We are preparing for students coming from Tompkinsville Elementary, Joe Harrison Carter Elementary, and Gamaliel Elementary to join together as Monroe County Middle School Falcons.

The Monroe County Youth Services Center will once again host Camp Middle for you, our incoming 6th grade students. This is a two day event and is organized a little differently this year. Day 1 of Camp Middle is a day planned for our students to get to know each other and spend quality time together having fun. Teachers and students will attend the Nashville Zoo on June 7, 2018. Incoming 6th grade students should be here between 7:30-8:00 and we should return between 4:00-4:30. A light breakfast and sack lunches will be provided. All of this is provided by our Youth Services Center and there is no cost to students.

Day 2 of Camp Middle will be held on August 1, 2018. We will focus on informing students what the day in the life of a student in our 6th grade center looks like. They will receive information about the school schedule, clubs and extracurricular activities, breakfast and lunch schedule, bathroom breaks, and the many great things happening at MCMS. On this day, they will walk through their schedule, meet their teachers, and have the opportunity to ask any questions they may have. Students will register for Camp Middle upon arrival on August 1. This is a great opportunity to unwind and relax before the official first day of school. We are also planning, "Meet the Teacher," for families on this day, and this is also registration for our 6th grade students. The schedule will go as follows:

- Registration will be held from 12:00-6:00. Choose a time that works best for you.
- Camp Middle for students will be held from 1:00-3:00.
- "Meet the Teacher" and orientation will be held from 3:00-6:00. Food for the entire family will be provided.

We look forward to meeting you and answering any questions you may have. If you cannot attend orientation on August 1, we are available to answer questions on an individual basis.

Sincerely,

Mr. Jon Clemmons, Principal
